Thread: [\[l33t & Ub3r\] .50 Paypal to 7 people](#)

Verdande - October 10, 2015, 12:31 pm

Ok, so I am picking 7 people to get .50 each to their Paypal account.

all you have to do is guess my favorite kind of drink and/OR what I am making for dinner tonight.

first 7 people to get it right will get .50 each.<<<<<<<<<<

You only get 1 (one) guess, so make it special.

I will obviously not reveal the answer, and it starts now, and ends within 30 minutes.

If you guess what I am making and my favorite drink at once, you win the jackpot of 3.90\$, and everyone else loses.

Good luck!

One hint, it's not any type of juice.

I might extend the time, if little to no people guess.

Or maybe just give it all to you, that would be nuts?

Who knows what can happen in my thread!

As far as a drink goes, maybe red bull or any other energy drink or if id have to guess for a 2nd one it would be wine, but i can only choose one so its the energy.

As what your making tonight, spaghetti maybe
