I don't think it's as good as the first one I made however I think it will do

My first one:

Spoiler ([Click to View](#))

Let me know what you guys think. I appreciate all feedback

TRH4CK - October 10, 2015, 8:31 pm

No way you've done that on MS Paint ... :O

I don't consider this to be anywhere near as good as my previous one for my fitness program haha. But it gets the job done (I think) ?

Weebex - October 11, 2015, 10:15 am

My eyes have changed, MS Paint > Photoshop xD.
Make a thread design in Microsoft Word xD

FRANKIE - October 11, 2015, 10:16 am

How much time do you even have man>_>

It only took like an hour. Probably would have been 15 minutes if I just used photoshop haha

Liquid Designs - October 11, 2015, 1:49 pm

really nice i like the layout and good job for doing it on Ms Paint.

Delevingne - October 11, 2015, 1:51 pm

It'd be so much better if you spent that time on a thread in Photoshop. I don't even like this one.
