Thread: [Hacking Group Recruitment](#)

HAXLEGION - October 10, 2015, 10:41 pm

Hello we are looking for very skilled hacker and also beginners to join our new group HAXLEGION we are looking for people who can work well with Kali Linux and more email us at HaxlegionOJ@gmail.com for more details

[Haxlegion]

???? - October 10, 2015, 10:42 pm

This sounds scary, will I get hacked if I don't do something right?

HAXLEGION - October 10, 2015, 10:43 pm

No we need people who can hack if you are interested email me

Aakash Choudhary - October 11, 2015, 12:45 am

What about those who is not skilled hacker but want to be skillfull hacker ?
I am not skilled person but want to learn hacking

Caiser - October 15, 2015, 11:36 am

I have certain specialities but I'm not a professional.
i have some questions, care to answer?

Remix - October 15, 2015, 11:39 am

hey i've read a sqli tutorial 5 min ago can i join pls?

YinYang - October 15, 2015, 11:40 am

I need people who can 'hack'

are you fucking 12

Flared - October 16, 2015, 9:06 am

gtfo skid so many things wrong with this post

Walt Disney™ - October 16, 2015, 9:07 am

I sent my application 20,000 times to your email. Hope I'm accepted.

Granny Bacon - October 16, 2015, 9:15 am

Haxlegion original jokers? Omg!
I've already applied, when will you accept me?

Delevingne - October 16, 2015, 9:16 am

I once performed a XSS on a unknown randomly selected website, can I please join? I am also member of Anonymous.

problems.x - October 16, 2015, 7:05 pm

Why do these threads amuse me so much...

PirateDavy - *October 16, 2015, 7:06 pm*

I will only join if you change the name to the Nigerian Princes.

w?fl - *October 16, 2015, 7:08 pm*

im willing to join, ive been a part of anonymous for 10 years i know how to ddos minecraft servers and hack on roblox so add me ok thank you.
