not exactly but she looks so similar no one would ever question it. honestly it looks kinda like a older version of the girl slightly older. but like i said no one will question it.this pack has made me hundreds upon hundreds of dollars.

(Skype/Kik...) anything i offer videos pictures or a skype show it usually gets me a buy. i go from kik usually but i always work a second site simultaneously right now im working craigslist other times i use facebook alongside kik. a lot of times they buy the show and it always works.
