Thanks!

I will send you a PM if i decide to buy yours and i will ask for your BTC address or PayPal e-mail, depending on the current stock and what you choose.

The signature spot is "Per week" and i will write every single person down and check if you are actually wearing it a week.

Don't expect much, if you don't post much.

YOU ARE NOT ALLOWED TO WRITE "This is a paid signature", it is simply annoying.
YOU NEED TO ENABLED "Enable my signature in all of my existing posts."

Amount of Post Per Day: 1.26? I don't know, you said the official number. This does not reflect how much I post though, since I took a 1 year hiatus from the site. I usually post more when my sig space has been bought. I have a couple of active threads I can use too.
