Rukki Rito - *October 14, 2015, 1:23 am*

Tsundere <3 lover, Tsundere

Chad ThunderCock - *October 14, 2015, 1:36 am*

First time I see someone here agree with me on this one.

Kuudere are superior 2D master race.

one.

Kuudere are superior 2D master race.

Add another person to Kuudere supporter. Yandere and Tsundere just seem impractical as real personality types.

Levi - October 14, 2015, 4:04 pm

So do you not like real women, or?

neightworks - October 14, 2015, 5:21 pm

Assuming all of these girls are Japanese I'd rather masturbate.

Pros -

They're cute

Their nipples tend to not get to the size of an orange

Cons-

Terrible Kissers

Hairy

Don't show affection

Don't even hold your hand in public?

They're in to some weird shit

(bunch of other stupid shit)

I'll take an American raised Korean Tsundere please.

Hairy

Some weird fuckers, namely Barrier, are actually into hairy girls which I find absolutely disgusting.

To each their own, and judging by their hentai they have an unrealistic idea of how to make it look good.

But the real world isn't a cartoon, laser it off.

Leminiscent - October 14, 2015, 5:34 pm

Dandere

Doesn't necessarily mean 2D>3D, I just like the personality

Chad ThunderCock - October 14, 2015, 5:39 pm

I actually like hairy, I dislike going down there but the sight amazes me for some reason

Are we talking a jungle or landscaped? I'll be forizzle if there's a professional gardener tending to the bush it can be acceptable.

Shokugeki - October 14, 2015, 7:17 pm
Seems like a lot of Kuudere fans

You think that is bad? Watch Zero no Tsukaima; fucking frustrating.

Idk why but something about Tsunderes just frustrate me. I think it extends from the fact that I personally hate misunderstandings. Which is oft used in anime with a Tsundere MC/character as a plot device. (Which is silly when you read the definition heh)

Probably will get a "I'm not interested in 3D girls" reply from a weeb.. But it's ok I don't judge.

Regigold - October 15, 2015, 8:53 am
Tsundere is best grill c:

Burakku Kenshi - October 15, 2015, 4:03 pm
I'm gonna go with Yandere.

sucre - October 15, 2015, 8:13 pm
Dandere girls are real cool

Cute Little Girl - October 15, 2015, 10:45 pm
A shy mixture of kuudere and dandere. (something like tomoko)

and I dislike glasses-kun and short hair girls with a passion

Isley - October 16, 2015, 2:19 am

Kuudere I guess. Don't really care for someone who's emotionally dependent on me.

Carpe Diem - *October 16, 2015, 4:45 am*

Tsundere and yandere all the way! (we're not talking about 3d girls, right?)
