Thread: [Anyone else get horny when they get that redeem code?](#)

Great Suggestion - October 14, 2015, 2:38 am

I dont know lonely i've been getting a boner anytime i get a redeem code or email from paypal saying i received a payment does this happen to anyone else?

I've also been fapping to my e-whore photos
maybe because she's making me so much moneys.

I feel like it'd be an interesting ritual if you only jerked off after a successful ewhore and you could only jerk off to the ewhore you were pretending to be.

Uhm.
Not sure what to think about this.

OP: I get excited when I get the payment, wouldn't say THAT excited though.

I seriously look at the live photo im about to send and put myself in the receivers shoes, pretending to be them when they receive the photo, then watch them reply

"YOU'RE SO HOT OMG WHERE DO I SEND THE MONEY"
