Thread: [But most of my customer wanted skype show and vid](#)

Shimoli1964 - October 15, 2015, 8:13 am

I wonder why you say kik is simple while my customers they wanted skype show and vid. Is skype saturated like kik?

Brahma™ - October 15, 2015, 8:15 am

Forward them to me and I will split the earnings for the first show I give to them. ?

I've gotten this with a few people as well. I usually try to convince them photo's only if I don't have a video of the girl I'm using if they don't want that I stop talking to them and move on, because you'll just start wasting your time.

I recommend you using the Racheal VCW and the Ewhore Picture Pack it will get you more profit

RichCrew - October 15, 2015, 10:37 am

Yeah i hate when that happens so stupid
