Thread: [Xbox Gold Accounts, Fresh month. Created upon purchase](#)

Sennheiser - October 16, 2015, 8:44 am

I am making fresh gold accounts for people who need an emergency account, or use a jtag or rgh.

These accounts have gold preloaded, and the option to choose a new GT.

(If you want a pre-modded gold account, PM me, those cost more ofc)

Price per premodded account is \$4

BTC Only accepted.

I host lobbies regularly but with mine it's got gold spoofing, Would be interested in learning more about this though....

Problems with gold spoofing

- Session join errors on many games
- Problems finding match on some popular games
- Other glitches

?

I always use a gold acc on my jtag because it makes gaming a greater than with gold spoof alone
