\$300-\$2000 a day? Imagine if you buy all these SECRET NEW METHODS, and combine them all. You can make a GUZZillion bucks a day! Holy shit!

You're not the first one thinking about these e-books either.

\$300-\$2000 a day?

I really wanna know what drug you took lol

Most people here pretend to make 300-2000\$ a day lol. There are people here who do make that much, but probably 90% don't and can't prove their earnings.

Right? That amount is way too low! We all make at least \$100k a day, easy autopilot.

\$56,000-\$84,000 a month. Wouldn't that be nice. I would still be on this forum on the daily if I was racking in that much. I mean it makes sense.
