Thread: [best snap saver for Jailbreak?](#)

**Fluppzy** - October 18, 2015, 12:41 pm

Hey,

Whats the best jailbreak tweak for saving snaps?

Thanks in advance!

**Exodi** - October 18, 2015, 12:42 pm

SnapPlus, idk if it's still in Cydia.

**Osuka** - October 18, 2015, 1:01 pm

i heard you can used phantom snapchat, spoof your location get layers/save photos/upload cutsom videos/photos from album  
and be hidden when viewing photos might be good?

Phanom is by far the best, better then anything else.

**Jokeh** - October 18, 2015, 1:22 pm

I'd use phantom, its gotta be the best out there, with the most features

Yea the rest of the members said ^^

Phantom is great! I donated for only 0.99\$ and got AD-Free Totally worth it!

Cheers ?

If that was your only goal by donating, there's a tweak that disables phantom ads.

AppPlus for Snapchat. It doesn't have ad's like phantom.

And that tweak is called.... ?

**FRANKIE** - October 19, 2015, 11:33 am

Phantom is the best snap tweak, anything else is trash.

Phantom Ad remover. Is literally named the tweak.

**Accessory** - *October 19, 2015, 12:17 pm*

Phantom is the best as others have said.
