Thread: [facebook viral apps like those](#)

Coulson - October 20, 2015, 9:10 am

where i can get facebook apps like this

<http://www.appline.ro/moarte>

<http://viralapps.me/candveimuri.html>

???

interested to start a website like those

karma040 - October 20, 2015, 9:14 am

So you are interested to start a website like that
or do you mean something else?

interested to start a website with facebook aps, like when you'll die, who are your fb best friends,
things like this, and they, to find need to like a page and share after they find

The thing is you need to have access to there account.

And i don't know exactly how that works but you are definitely in the wrong section :p

This is an facebook app integrated to the website i think.

Try to go to programming PHP section
