Thread: [Facebook Page Verification and Twitter Verification](#)

WhosYourDaddy - October 22, 2015, 10:31 pm

Hello.

i wanted to know if some one is doing Facebook page verification and Twitter verification for money?

I had a guy who was doing this few months back and now im not able to find his contact.

If you know some one or know any methods please help me out :)

I know, Verification is just for Celeb's and bla bla, i dont wanna hear that. any useful information would be appreciated.

Thanks!

1 user is currently banned but you might be able to find his Skype name.

<https://hackforums.net/showthread.php?tid=4849292>

Then we have Vape who sells it for at least 2k.

Same kind of stuff like Twitter verification.

The GRim - October 23, 2015, 2:10 am

I can sell facebook verification for 1k\$. Lemme know.

HIGH PAID FELLA - October 23, 2015, 3:30 am

If you have an official company you can request those if I am not wrong.
