It's good! I'm a little disappointed that Omni hasn't put the banner up already.

420 Blaze It - October 24, 2015, 9:58 pm

Looks definitely good!

PS. Omni puts it up on Halloween.

it's cool, I'd enjoy it. If I could change anything it would be the spider on the H.

Change the spider or should i remove it?

420 Blaze It - *October 25, 2015, 12:07 am*

Remove the spider, it looks bad.

Also try the blue theme.

It looks pretty cool, I think what would be a pretty cool addition to it if you were to change the guy with the hat into either the headless horseman or jack o' lantern head.
