Thread: [Free VIP Membership on my Website Design Forum](#)

Deatives - *October 24, 2015, 9:54 pm*

I am giving FREE VIP Membership (lifetime) on my new Website Design Forum. It is a work in progress, looking for people to help me get started. If you want the freebie post below and I will PM the website to you. The requirements are as listed: Make 5 Quality Threads

Respond to at least 3 posts

Upload An Avatar

I am also looking for Staff Members; Either Administrator or Moderator (your choice, Administrators have Moderator Powers this is obvious). Before anyone can become Staff, they must show that they have full understanding of MyBB and fix it when issues occur, knowledge of PHP/MySQL, and know how to calm down threads and users without having to ban people.

Dude why?? Lol - *October 24, 2015, 11:37 pm*

Hello i would like to be an Administrator. Thanks for this post.

Hey, I'd like to either help, or be a VIP member. I am usually active on forums, as long as they relate to something interesting.
