Thread: [\[updated\] Spygate Rat v 3.3 Download *Link Updated*](#)

?Daly? - October 26, 2015, 4:30 am

i was browsing around and i found this updated version of spygate rat . it has some pretty cool features and its kinda fast for a free rat . only thing that's missing is (view webcams)

[Virustotal Scan](#) (for those who just want it for the fuck of it lol)

it is clean , i had to test it myself

[Download](#)

it is the rat's stub , you need it in order for it to work

?Stark - October 27, 2015, 2:28 am

I never used this rat, lets see whats inside
thanks
