Thread: [New and updated AV list for LL || Updated 10/26/15 3:34](#)

?Syria - October 26, 2015, 3:52 pm

So iv been using this updated list for a while now for my self a decided to release it to you :)

Pls post some thing! Dont be a bloody lecher

This AV list contains pretty much every popular AV on the web.

Your welcome :)

Spoiler ([Click to View](#))

dude its a fuggin joke lol

?Syria - October 29, 2015, 8:42 pm

Guys please updates your lists with the latest one right here. i just updated it the last one wont work

?Syria - November 10, 2015, 9:18 pm

Check it out guys, use this so you can keep your clients

LSDoom - November 10, 2015, 10:26 pm

I am sure this will be useful for some people out there, thanks for the share :)

?Syria - January 22, 2016, 6:19 pm

I have updated the list and now using HF's new feature! :)

1x1x1 - January 22, 2016, 6:27 pm

Thanks for this. Nice list :)

VirtualMon3y - January 23, 2016, 1:12 am

Nice list,

I'll update my clients with this later. Members should fine it useful.

G0dI1k3 - January 23, 2016, 8:38 am

very nice :), amazing share, almost every new antiviruses

HitSweMan - January 23, 2016, 8:39 am

FUCKING AWESOME! Thanks :D

.GonZ0. - January 23, 2016, 12:19 pm

Great share! thanks you posting this!!!

kurorolucifer23 - January 23, 2016, 12:26 pm

how do you use this one anyways?

UntoldMythical - January 23, 2016, 3:03 pm

Thanks man, AV list appreciated

Hexalogy - April 15, 2016, 4:08 pm

This should be brought back to the top for all the new users to LL who can't find this page I did this for BahNahNah now you. You guys deserve some appreciation for your time and effort.

Thanks for the list!
