Thread: [Senior Quote](#)

SIM-2273342 - October 27, 2015, 6:38 pm

Please post submissions as to what I should put as my senior quote. I will submit whatever I (and other users) find the most humorous.

This will go next to my photo in the yearbook, and be the last memory from high school. Make it good HF.

here's an inspirational one

"no" - rosa parks

you can go ahead and use that and pretend you came up with it

Disregard Females, Acquire Currency.

Everyone knows that one and if you do it you'll be named savage of the year.

Or pull some dumb shit like
"Allahu Akbar" - dad
