Fresh and creamy JP & KR Accounts!

Aswell as one with Email from Canada!

Stashyy - December 31, 2015, 11:26 am

Going to ask a few questions that were probably answered already but here we go:

What's the point of buying one? .-.

What do you get from buying this? Premium accounts or just normal ones?

Still there!

Kappa-chan - January 8, 2016, 3:33 pm

Pushing !

Still got loads of accs.

lurkeryuri - January 9, 2016, 7:08 pm

I don't understand why people use puush, by the same developer of the game, to share cheating/unban tools lol.

Is there a way I can see all the accounts you currently have?

I guess you dont know how the ban system works.

Just shut up if you dont know how it works.

I do this for a good reason, which you obv do not know.

Leave this thread.
