[illegible]

TheGoodLife - November 4, 2015, 8:54 pm

Not sure if I'm allowed to or not but bump.

Silent Uprising - November 18, 2015, 8:57 pm

Do you have a microphone+Skype? -Yes

Alias - colin

Age - 16+

Country of origin - US

What developmental skills do you possess? If you don't you probably shouldn't apply(HTML, PHP, MySQL, VB6, C# etc) - Basic HTML, Very little Java.

Skype - Sent in PM

What else do you bring to the table? - I am A+ Certified, Net+ Certified, Getting Security+ in a few weeks. I have my MTA Network Fundamentals certification. I'm always willing to learn new things.

Stasya - November 19, 2015, 6:55 pm

Do you have a microphone+Skype? - yes

Alias - Stasya

Age -20

Country of origin - PH

What developmental skills do you possess? If you don't you probably shouldn't apply(HTML, PHP, MySQL, VB6, C# etc) - Everything you said, I'm a full stack dev.

Skype - PM.

What else do you bring to the table? I create programs, check my toolkit here:

<https://hackforums.net/showthread.php?tid=5063805>

I also love to make money bruh, and I'm seriously playful about it ;)

bondsandblondes - November 19, 2015, 9:05 pm

Do you have a microphone+Skype? - yes

Alias - Tom

Age - 19

Country of origin - USA

What developmental skills do you possess? If you don't you probably shouldn't apply(HTML, PHP, MySQL, VB6, C# etc) - I pay people who know these

Skype - Won't publicly disclose

What else do you bring to the table? - I have started and run several social media websites which relied heavily on marketing one of which got over a million unique visitors within 4 months. I currently do social media promotions, online marketplace promotion, adsense autopilot, have beat the S&P average investing three years in a row, strong financial modeling skills, startup experience, the willingness to help others better their lives without any personal gain.

SIM-1472133 - November 19, 2015, 9:12 pm

Do you have a microphone+Skype? - yes

Alias - yes

Age - yes

Country of origin - yes

What developmental skills do you possess? If you don't you probably shouldn't apply(HTML, PHP, MySQL, VB6, C# etc) - yes

Skype - yes

What else do you bring to the table? yes

AnonymousBuffalo - November 20, 2015, 2:47 pm

Do you have a microphone+Skype? - Yes

Alias - Buffalo

Age - 19

Country of origin - Australia

What developmental skills do you possess? If you don't you probably shouldn't apply(HTML, PHP, MySQL, VB6, C# etc) - learning C, Got Basic C++ Knowledge and Basic HTML Knowledge

Skype - PM Please

What else do you bring to the table? FX Trading knowledge (NOT basic) , Stock market knowledge, Graphics (GFX) and Good Bank Information (how it works and that) I also know gambling methods that relay mostly on setup and money making methods that relay setup and time.

Pokémon! - November 21, 2015, 2:42 am

Alias -

Age - 21

Country of origin - USA

What developmental skills do you possess? If you don't you probably shouldn't apply(HTML, PHP, MySQL, VB6, C# etc) - html, java, sql

Skype - PM

What else do you bring to the table? 6 years of experience on this site

Mr. Church - November 22, 2015, 2:24 am

Do you have a microphone+Skype? - Yes I do

Alias - TheBoyWonder

Age - 22

Country of origin - US

What developmental skills do you possess? If you don't you probably shouldn't apply(HTML, PHP, MySQL, VB6, C# etc) - HTML, PHP and C++

Skype - Send me a PM

What else do you bring to the table?

Previous marketing experience, as well as social engineering/psychological assesment expertise

How bout using your brain - November 23, 2015, 5:26 pm

Do you have a microphone+Skype? - no

Alias - How bout using your brain

Age - 47

Country of origin - non-US

What developmental skills do you possess? If you don't you probably shouldn't apply(HTML, PHP, MySQL, VB6, C# etc) - im here for the moneyz and the hoes if there are any

Skype - yes

What else do you bring to the table? - My own lunch.

TheGoodLife - November 25, 2015, 12:54 am

Sent PM's, no time wasters please.

Dan Smith - November 26, 2015, 3:04 am

Are you aware that dropshipping is disallowed to be discussed on HF?

TheGoodLife - November 26, 2015, 4:39 am

(Nov 26, 2015 04:04 AM)Dan Smith Wrote: [\[CITE\]](#) Are you aware that dropshipping is disallowed to be discussed on HF?

I haven't spoken a word about dropshipping? There's no discussion taking place..

Dan Smith - November 26, 2015, 5:06 am

(Nov 26, 2015 05:39 AM)Abstruse Wrote: [\[CITE\]](#) I haven't spoken a word about dropshipping? There's no discussion taking place..

From the OP:

Quote:

Pretty sure it says dropshipping there, fourth line.

Again no discussion, take your mini mod, post boosting or whayever you're trying to do elsewhere please. :)

.Ninja - November 26, 2015, 11:21 am

Do you have a microphone+Skype? - Yes

Alias - Null

Age - no

Country of origin - Europe (no I'm not giving my country out)

What developmental skills do you possess? If you don't you probably shouldn't apply(HTML, PHP, MySQL, VB6, C# etc)

- Java, Python, JS

Skype - goku.rf

What else do you bring to the table? nothing

SIM-2263652 - November 26, 2015, 3:56 pm

It's funny how people don't put even five minutes of their time to apply for your group. I am going to make a proper application later. I do have few things to offer. Also read my title.

Therm?! - November 26, 2015, 6:01 pm

Do you have a microphone+Skype? - Yes

Alias - Thermal

Age - 19

Country of origin - United States

What developmental skills do you possess? If you don't you probably shouldn't apply(HTML, PHP, MySQL, VB6, C# etc) - HTML, PHP, Python, basic C#

Skype - Will disclose if accepted

What else do you bring to the table? I can do some shitty free styles if the group needs entertainment.

Caffrey - November 29, 2015, 1:08 pm

Nice group but I dont have the requirement's

bulgariuv - December 2, 2015, 6:09 am

very interested but I don't have time.....yet

spoonfullofsugar - December 5, 2015, 8:04 pm

Do you have a microphone+Skype? - Yes

Alias - Spoonfullofsugar

Age - 21+

Country of origin - Non-US

What developmental skills do you possess? If you don't you probably shouldn't apply(HTML, PHP, MySQL, VB6, C# etc) - SEO/RATs/YOUTUBE

Skype - Yes

What else do you bring to the table? Open minded, lets try new things!
