Thread: [Nullen's RAT Mentoring | RAT SETUP & CRYPTING | CUSTOM SPREADING METHODS | FAST](#)

NULLEN - October 31, 2015, 10:28 am

PM to Purchase

Feel free to checkout my vouches for a RAT services I used to offer:

<https://hackforums.net/showthread.php?tid=5037456>

By purchasing you agree to:

Terms of Service/Purchase

- I'm not responsible if your ISP does not allow port-forwarding or your system doesn't allow needed actions, a refund will not be granted. (Check this before ordering)
- Make sure you can port-forward and you have access to disable/enable programs
- All payments are final and no refunds will be provided unless I say so.
- I will crypt your stub, but I cannot guarantee It'll be FUD always.
- I can deny service to certain users at any point and time without explanation.
- I'm not responsible for any actions you may cause with your RAT.
- I don't condone illegal use.
- Attempting to harm my system, or services will automatically result in denial of my services without refund.
- I will not provide any services for Botnets or any blackshades versions.
- I can change this ToS without warning at anytime.

Anytime dude! Thanks for the help - Ill be getting slaves faster than my mom gets guys ?

MikeTheGamer - October 31, 2015, 5:02 pm

This service is really trustworthy! You really won't regret trying it out.

NULLEN - November 1, 2015, 6:31 am

Thank you everyone for the vouches, I'm still selling this mentoring service.

EDIT: Just finished up mentoring 2 new clients. Now open. ?

CChaoss - November 1, 2015, 12:13 pm

Nullen is a good guy and a good friend. Keep this up bro it's helping the community.

Thanks man! ??

NULLEN - November 3, 2015, 7:26 am

Still providing this service, thank you everyone for the vouches.

NULLEN - November 4, 2015, 8:54 am

Still offering these services, online now.

NULLEN - November 22, 2015, 7:07 pm

Still offering these services, online now.

NULLEN - November 24, 2015, 1:29 pm

Service has been closed, as of now I'm no longer offering private mentoring.
