Thread: [Anime Adventures Weekly - Recruitment](#)

AA Weekly is looking for dedicated and willing writers, proofreaders, interviewers and more! This is NOT a job for someone who will quit after a week, writing an article every week can be stressful, not only that but it needs to be perfect. Posted this in Anime adventures as I'm looking for frequent AA members.

Anime Adventures Weekly is a weekly news article posted every week within Anime Adventures. Starting back in 2011, we have been going strong since are in need for extra writers to help with the running of the news. This is for those that are fans of anime, manga and the Japanese culture (obviously) so please don't apply if you are not familiar with these things.

Due to a reshuffle of the team we're recruiting again and for a new group of dedicated writers willing to follow a schedule and work to make AA a better and more fun place! Please read the recruitment sections below and follow the instructions.

Sections that are open:
Headlines (Dragon)

AA News(Tweety)

Music Highlights (3 Music Videos) (Tsu-kun)

Music News

Gaming (V?????????????????)

Cosplay (Zexo/Tamamo)

Waifu of the Week (Cloud)

Manga Highlights (Litecoin)

Manga Highlights

Visual Novel of the Week (Kanade)

Interviews (Tiffany Alvord)

Proof Reader(Jimmy)

If you wish to start up a new section, feel free to leave a comment with your idea.

--

Since the last release of the AA Weekly, our old team has slowly disbanded and the project came to a halt. A few threads have been made that showed interest, so we will try to get up and running again like before. The key qualities I am looking for are dedication, commitment, creativity and interest within the topics that are featured. Your writing skills do not need to be perfect as we have reviewers/proofreaders, so no need to be worried about that.

[b]Post below the section of interest, I will PM you with a /very/ short task, and we can slowly build a new team.

Looking forward to meeting some new faces!

-Tweety.

Glad to see that this might be coming back! The Anime Adventures Weekly Issues were probably one of the things I looked forward to the most in this section.

I would love to be part of the new team if possible. The sections that I am most interested in filling would be Waifu of the Week and doing Interviews.

Can't wait to hear from you and I hope this recruitment turns into a success.

RainbowHentAi - October 31, 2015, 9:12 pm

Tamamo - November 2, 2015, 1:08 am

Well, I wouldn't mind the cosplay section, but I'm quite confident I'm too new. If you can't find someone else, I'd be happy to give it a shot.

People aren't going to get paid for this. It's a fun community thing that people just enjoy to do.

Programmargorp - November 11, 2015, 12:28 am

I can fill in for Manga, VN or Interviews every once in a while if needed. Drop me a message on Skype if you need me.

Life's too busy to do every week unfortunately ;_;

·Lawliet· - November 12, 2015, 1:54 pm

Can I apply for a voluntary/temporal position? Like if you find someone else more stable just replace me on that moment.

I'm interested on helping the Manga Highlights or Music News section till you find someone better/more stable for that job. This because I can't promise stability since 2016 will be a very busy year for me, and my english ain't that good anyways, but I would still like to help out a little if possible.

If not possible then no worries.
