SIM-2306826 - November 2, 2015, 3:08 pm

What are you talking about? I was given this theme by a friend. What is RF?

e?erg1zer - November 2, 2015, 3:08 pm

Thought money giveaways weren't allowed anymore...? I assume this qualifies; either way good luck with your site.

SIM-2306826 - November 2, 2015, 3:10 pm

Money contests are not allowed, but giveaways are!

It is my forums old theme.

It was ripped and we do not appreciate when sites use it

SIM-2306826 - November 2, 2015, 3:21 pm

I did not know that, I'm sorry.

I will be getting a new theme soon. I will try and look for a free one in the meantime unless there's somehow we can work something out.
