Annual Best Girl Competition

Information

You MUST follow the voting below format, otherwise your vote will not be tallied.

You ARE able to vote for MULTIPLE GROUPS (it's encouraged; however, only ONE girl PER GROUP can be voted.)

All the groups are randomly created using Random.org.

Any attempt to game the contest will lead to the disputed character(s) getting disqualified.

This is too hard too choose but unlike others I have my one girl to whom I abide.

Alright I can see who's winning. Yui Yuigahama has a shitloads of votes, she's gonna get it. (Just an estimation, didn't even try to see other girls)

@Tiffany, why would you care about someone's opinion about your taste? If I judged your taste, I'm gonna judge it based on mine, that's biased. (even though I agree with most of your selections)
So unless you actually wanted to discover one's preferences, there's no meaning of asking about that.

Ah it's not really about Dragon tbh, I just thought people that judge tastes in general should know this. Dragon isn't an exception though.

If you have shit tastes I'm going to let you know how bad they are.

Nah I'm pretty confident :p

But as I said in my voting post, about like 10 groups literally had girls I never knew. So I judged based on looks, took me some time to find their mal pages ;-;

And just a lil fact, I don't obsess with a certain type. Like loli or tsundere or whatever, so don't get mad at me for not voting for your favorite type ?

I didn't really care I just asked because I saw on the third page that he said everyone who had voted so far had shit taste lol.
