Proof of earnings? Vouches?

Neon Hitch - November 1, 2015, 6:01 pm

I'm curious as to what this revolves around, can you give out any hints.

Also, are you doing vouch copies?

WaveRyder - November 1, 2015, 7:46 pm

I can take a discount vouch copy and write you and HQ review, Thanks.

Vouch for my nigga xEPTION ?

I may not have a million posts on this account, but in return for a vouch copy I can write a HQ detailed (without spoiling anything) review.

I think most people by now realize that a lot of active users on here with 3k+ posts are often friends vouching for eachother so I hope my low post count don't make me lose credibility.
