RESOLVED

He finally refunded.

TRAUMA - November 1, 2015, 8:08 pm

You're being impatient.. He said 1 hour, you gave him 1 minute.. Can you provide us with screenshots you asked for help?

I asked him yesterday, he asked for my email address so I gave it to him, many many hours later he replies with he will be 1 hour even though he posted on his thread that he is available.

As said in the Skype messages I would refund you within an hour or so...

Thanks for being patient... ???
