....kids got like 20 deal disputes. Told you to use an MM.
Your fault.

Orgy - November 3, 2015, 10:40 am

Just so you know, we aren't really entertained by empty threats here. Knowing 0x, you'll likely do nothing to him

• **Kyle** • - November 3, 2015, 11:24 am

Ik ive been stalking you but omfg, scammed by 0x, how are you deemed as trusted and get scammed by HIM LOL and he does have like 20 scam reports.

+ IK youre trying to get a dox on him and all but once you get that shit, dont do shit to him like remotely, go visit his house but dont swat him.

Unless you paying someone on ABM to do it :/

My boy warned you, should take the advice of a 9 tailed fox.

Hope you get this resolved.

DamienVC - November 4, 2015, 1:23 am

Eugh why did you get scammed too?

Godsmith - November 5, 2015, 8:11 pm

User refunded my friend half his money, maybe he'll do the same with you?

he scammed, he stole the money

he gave half the money back? I don't understand.. your friend just accepted his losses from a

scammer?

This site has no staff that get involved in disputes. Systems fucked imo.

Rednoob - November 5, 2015, 9:34 pm

ASK HIM FOR HALF YOUR SCAMMED MONEY. Shit, better to try than do nothing.
Maybe luck will be at your side, gl OP.

csgo_player - November 5, 2015, 9:39 pm

Damn I wish when I got scammed I got half back lol, gl getting your money back OP

You scammed me, cold-heartless prick. I wont stop posting as long as you keep conducting 'business as usual' I will continue warning other members of the shitload of people you have scammed

Nobody cares about your shitty opinions? I make hundreds a day with legit transactions so nobody couldn't care less about what you have to say. Your posts aren't affecting me at all.

I'm just generally curious, but if you make hundreds a day, then why scam?
What do you actually get from it besides a little bit more money?

Have a nice day! ?

ICUP - November 9, 2015, 4:27 pm

Look up their UID next time you do a deal here on HF. Anyway, user should be exiled since he has a lot of open scam reports.

Moisturize - November 9, 2015, 4:28 pm

It seriously is.

Especially if it's so obvious that they scammed like this dispute.

Have a nice day! ?

They don't but Omni does exile accounts that has legit scam reports so hopefully he'll notice this.
