If your in need a project doing, like a backend panel for your website, I'm up for it. Message me your project, and I'll reply with time needed and price. I don't require upfront payment if I deem you 100% trustworthy, but proof of funds would be nice.

Payment wanted when you have tested the site yourself, and are happy.

No refunds, and once started work, I expect to finish with a payment waiting.

Deals through here only for safety.Vouch for this sexy guy
