Thread: [Minecraft Vector Shop \[CHEAP \]](#)

NoobCell - November 8, 2015, 9:02 am

Hey guys, had some good feedback on these in the graphics section & iv decided to open a little shop offering my services xD

Portfolio:

Spoiler ([Click to View](#))

What I offer:

Line Art:

Head Line Art: You will recieve the line art of your skin's head = \$1

Body Line Art: You will recieve the line art of your skin's head & full body = \$2

Body & Item Line Art: You will recieve line art for you skin's head, body & any tool/item = \$2.50

Full Color/Shading:

Head Colored: You will recieve your skin's head fully colored & shaded = \$2.50

Body Colored: You will recieve your skin's full body, fully colored & shaded = \$5

Body & Item colored: You will recieve your skin's full body plus any weapon, tool or item fully colored/shaded = \$6

Youtube Items:

Thumbnails: you will get a thumbnail with your minecraft skin, fully colored/shaded & some cool text for what ever the video is about = \$5 for the first & \$1 for each additional (all additional will use the same character as the forst, if you require another, it will be another \$3).

Banner: You will get a nice looking minecraft banner for youtube with your character + 2 in game animals with any weapon/tool you need = \$15 or \$8 without the animals (please note these will NOT! have a drawn background, they will have a premade MC background in the style of minecraft and not drawn, drawn backgrounds will be coming soon).

How to order?

Post below with the following details:
