Maybe this should be a late Father's day gift. Could I maybe borrow 600\$ to buy my dad a closet of premium sex toys?

Don't think my entertainment comes from machines that twist my nipples. Thanks for the offer though

Try other sex toys either then just the normal dildo. You can have a lot of fun with nipple toys and stuff.

Nothing like some sex toys to spice up your sex life.

PurpleIsAColor - November 9, 2015, 12:07 am

Nothing beats a plastic bag and a few rubber bands.

Pretty sure thats like the 15 year old sex toy of choice. So hello young one. Too bad u have to be 18 to buy one at a store.

SavageAF - November 9, 2015, 2:26 pm

Just referring to the boys who think dildo's are the only thing in the store. I'm 100% sure 15 yo's won't even know about Fleshlights until they're 17.

Queen Cin - November 9, 2015, 3:32 pm

Thanks for the find OP, will definitely use it
