With legion around the corner why not get into wow with style?

TCG mounts, Leveled Garrison, Raid ready toons, gold & professions!

Sadly due to my schooling life I will not be able to play this expansion and would like to sell my account to a worthy human who will carry on my godlike gaming powers :) dont be afraid to ask below!!!

How much are you looking?

I don't know what they go for so I won't offer.

Well I am not looking to set a price really, I want to agree on a price that both parties are happy with, I also dont want me past 6 years of wow going to a chinease gold farm ;)

If you want to negotiate / chat hit me up on skype
