The link is good till 12/31/15.

Just about spent \$160.

Lmao.

I bought some joggers, jacket, pants and some shirts.

What a time to be alive.

Appreciate it! ?

So does it mean it's free, or can you only use one coupon?

$70+30 = 100\%$

I don't think coupons will stack.

And it's "up to" 70%. Not completely 70% off each item. Might be a few if they update.
