Damn nice skins man! good luck with the sales

Kioshima - November 9, 2015, 5:09 pm

Thanks my man! ? Appreciate that.

So is the buy rate at 65% or 75% which your buy it all rate is at? It should be down to \$370 if it's 65%.

Selling @ 65-70% just looking for \$420 BTC at least for all of this. ?

Very low float values, so it is worth more. (esp. Fire Serpent)

Bought the Deagle Blaze, only took a few minutes, thanks again.

Kioshima - November 9, 2015, 8:45 pm

Lowering price to \$370-380 BTC would like to get this sold soon. PM me and I will give you BTC

address.

Mr. Supreme - November 9, 2015, 9:12 pm

interested in amazon?, can buy u if u live in us

Kioshima - November 10, 2015, 3:48 pm

I have lowered the price to \$340 BTC, a user contacted me, but is currently offline.

Open to more buyers until then.

eoxDK - November 11, 2015, 7:03 am

Vouch legit seller. :) Sold me the M9! <3
