Thread: [Free 1/2 LB. Bag of Specialty Cat Food or Dog Food \(US & Canada\)](#)

Been awhile since I posted you guys some free stuff...

You can get a free bag of pet food if you have a store by you that that carries this brand.

Sign up here using legit email and real name: <http://www.petcarean.com/nourish-for-life/>

Then check your email to print out the coupon for the free bag and also get a \$5 off coupon if you decide to keep feeding your animals this stuff.

They have a store locator link [HERE](#) to find a store that sells this brand of pet food.

Can be done multiple times.

Hope your pets enjoy!

Printing my coupon off now and will be going to pick it up. Seems to be a brand that is carried lots of local places in Canada so it's a good find. Going to see if there's a way to abuse this.

Thanks for sharing this man!

I'm gonna try it out :)

Edit: Sadly, the closest one is more than an hour away.

Have a nice day! ?

I think you can just keep printing out unlimited coupons and have friends help you get as much free pet food as possible =)
