Lets see some of your bots m9, and or skins proof?

Mr.Motivation - November 11, 2015, 11:08 pm

Hope im the lucky one to get Vouch copy :3

have done some steamstealing in the past but i find all methods saturated and low chance :/

\$250 for a copy of spreading guide is way to expensive for guide.

I wouldn't mind purchasing to check it out, but way to much, I'm sorry.

Best of luck to you. ?

\$250 a copy is expensive.

unless its a 'genius' method.

If ya want I can write a review.

problems.x - November 12, 2015, 12:00 am

I've steam stole so much shit, and op is reasonable pricing one as \$250 as it can easily be made in a day, one of my old methods attained me 800\$ in approximately 5hours, and the best inventory I hit

was close to 1k, so there is a lot of profit to be made if op's method is actually working and substantial, op if you need an experienced person to write a review lmk, it's not all about the rep when coming to vouches.
