Thread: [Logo & Userbars for forum!](#)

Optimization - November 10, 2015, 11:23 am

Hello HF

I am in need of a logo and some userbars for our new forum theme.
if someone would like to do this please PM or Post below!
I'll give you access to the theme as it looks now so you can make graphics that suits the theme!

Thanks in advance.

Awesome, you may want to get access to our theme in order for you to see the correct colors etc?
The current theme is not our new one lol.
