Iv no need to explain my self, how does this user know me ? also look at my given rep if you think i bad rep people for no reason . .

If you want a honest opinion on your service im more then experienced to review it :)

Your choice buddy.

Also how does this user know me ? is it because i have told him before he cant advertise in this section or because i caught him for copying others threads ?

EDIT: sorry not that user in particular but his friend anyway.
