Vouch for Osama786, i did business with him many times and he's a friendly guy. He was also telling me about his deal with Susperia before it happened, and I can vouch for him that Susperia did scam him.

ROFL OMG - November 10, 2015, 9:09 pm

Someone told me that he took 125 USD from them and canceled their hosting last night. Is that you by chance?
