Ol' Dirty Bastard - November 12, 2015, 3:53 pm

Hey homies,

I have a few things I wanna get rid of and so I'll be selling them cheap.

What I have:

- \$25 iTunes GC - SOLD
- 10£ iTunes GC;
- \$5 on Microsoft Store - SOLD

The following Steam Games:

- Binding of Isaac;
- Sniper Elite;
- Sniper Elite V2;
- Magicka;
- Battle vs Chess;
- Advent Rising;
- Europa Universalis IV;

THESE ARE GOING CHEAPER THAN G2A

PM me if you're interested in anything.

Is that just the regular Binding of Isaac?

And is the Microsoft Card like Microsoft points?

It is the regular Binding of Isaac.

I just know it's a \$5 GC for the Microsoft Store, we can always work something out via PM and watch you trying redeem it and see if it works.

Let me know, thank you homie.
