If morals are an issue maybe try using sites like hackerone and bugcrowd to rack up some \$\$\$ from bug bounties

Deany - November 13, 2015, 4:53 am

Hack some OHGEEZ and sell them to skiddies

samxo - November 13, 2015, 5:13 am

hello B4SEM3TAL , can you please hack website for me? I am pretty sure that it takes a few minutes for you, because you are professional, so can u take a look on website : leqtori1.gtu.ge , I need account's of this website. Thanks a lot my friend, if anything add me on skype : G.r.i.g.o.l.i1

ZekoPederko - November 14, 2015, 9:36 am

Hello i have few questions about shutting down website for 2-3 days, since i dont have a lot of time to write here, please add me on skype funybuny313.

Reason : disrupts business

Wireless Network - November 14, 2015, 10:07 am

Start looking for vulns on google, facebook and similar sites that actually can make you rich.

Suspect - November 14, 2015, 7:41 pm

I have a job 4 ya

I'll give you a website of a ministry in my country it has around 6 SQL injections or more

eMblaze - November 15, 2015, 4:48 am

Get a job.....

(Nov 12, 2015 08:12 PM)B4SEM3TAL Wrote: [\[CITE\]](#) I fucking just wish i knew a good website that could instantly make me rich. Also jail is not an option.

I think its my morals. I'm not sure. I just would like an idea.

lol i wish i had this knowledge. i only need 1 website to earn 1k+ per day :)

Wants to hack.

Doesn't want to be a cunt.

You can't be saved my son.

Thats the difference between a guy like me and a billionaire i guess. If i could find like a way that would do GOOD, but make me rich. Please explain to me that...?

That indiegogo designer chic had the right idea.

I need like a bolt of lightning super world awesome hack.
