What do you guys think of G-Eazy's new singles, Order more and Random?

Personally, I can't get into it. Random is alright, but Order more, just not into it at all. Overall, pretty disappointed, was expecting some great songs.

I like most of his new stuff besides this song really, probably the worst single off the new album. It's seems a lot darker than his last album but I'm excited. It drops the same day as Cudi's new shit.

I saw G-Easy at ACL (weekend 2) and it was bad. He lost his voice and he was trying really hard to perform. Gonna check out his new album, didn't even know there was one.

It's alright, logic had the FIRE album though.

I don't know. I kind of like the old G-Eazy better, like Marilyn and Let's Get Lost. Not a big fan of the new G-Eazy to be completely honest.

He's getting to be 'that' type of rapper. Tbh he's getting closer & closer to Dej Loaf. SHE MAKES ME WANT TO MURDER SOMEONE. WTF IS WITH THIS AUTOTUNE

T7Amaazee - November 16, 2015, 7:16 pm
