Thread: [Giving away simple money making eBook.](#)

Hello fellow members. So I am giving away this ebook for everyone. I thought I would sell for few dollars, because I spent all my earnings already and I don't have any money atm. This takes some time, but then I felt like I just should give it for free. So post below and I will pm you the download link. This is really simple, so anybody should be able to do it without any investment.

This is for all users. Hope you get something out of this!

EDIT: By broke I mean I spent all my moneys and this takes time. So I don't have anything right now. Just read it. Lol " I am broke from a money making ebook so I am selling it ". Fixed now.

I find it ironic that you're giving out an ebook on moneymaking whilst also being broke, but I would like the ebook! Thanks
