Thread: [Web Design & Development Services <HTML, PHP, JQuery, Wordpress, SEO> \[Cheap\]\[Fast\]](#)

Innovus - November 14, 2015, 4:06 pm

Currently offering web design and development services

Familiar with HTML, CSS, PHP , JQuery, Wordpress, Bootstrap, and good with SEO.

Price is contingent on the scope of the project.

Portfolio Site:

<http://ryandeming.com>

Post here or PM me if interested in hiring me.

Frave - November 14, 2015, 4:38 pm

I can't PM yet, but are you familiar with the Expression Engine platform?
