Thread: [DreamVery { WIN A COPY } Week #1!](#)

Dreamzje - November 15, 2015, 1:07 pm

Hey guys so this is my first competition on the forum, I thought I would give back to the community. Also note I like rainbows hence the color of the thread....

There is no fancy thread design for this, I'll be hosting this for a few weeks to come. So if you don't win this one then stay tuned for next weeks competition.

If you have no clue on what DreamVery is then you can click the icon in my signature and it will take you straight to me sales thread. I'm selling at the price of \$50 so you will receive this free of charge for the lucky winner of this weeks competition.

Sales thread so you know what you are entering for;
Code <https://hackforums.net/showthread.php?tid=5055250>
All you have to do is wear my icon and text in your signature I'll be keeping track of you as much as possible.

Here is the exact thing you should wear in your signature, nothing else but the following;

Code `[i][align=center][b]DreamVery Cracker & Checker...[/b][/align][i]`

`[align=center][url=https://hackforums.net/showthread.php?tid=5055250][img]http://icons.iconarchive.com/icons/elegantthemes/beautiful-flat-one-color/128/eye-icon.png[/img][url]/[/align]`

Once you have this in your signature then comment on the thread with the date you added it, don't forget I can see when you posted haha.

This will end a week from today, so next Sunday.
