Thread: [Good Girls or Bad Girls](#)

Islah - November 15, 2015, 1:14 pm

Do you guys prefer good girls or bad girls? I know some people like girls that smoke weed and fight and shit, but personally, I can't stand it. I mean, I smoke weed, so a girl that just smokes weed doesn't bother me, but I could never be with a girl that constantly talks about fighting, smoking weed, etc. I can't stand anybody like that , regardless of gender.

I think girls that cuss a lot are disgusting too, but I don't think really anybody likes that.

I personally like Good girls, by good girls I mean , just girls that don't drink or get high to excess, Personally I'm a christian, I like girls that go to church and stuff but dunno if I could be with someone for a long period of time who doesn't have sex until marriage.

if you guys get what I'm saying , I like girls that are good, with sweet personalities but at the same time aren't like totally abstinant towards Sex/Alcohol/Drugs.

im into good girly girls, smoking weed is a +1. imo bad girls are the type of bitches to get to drunk and fuck some other guy.

The Jacka - November 16, 2015, 1:38 am

Good girls of course

but you know those bad girls are nice to have as friends

Exha - November 16, 2015, 1:39 am

Pretty much the same as OP. I can't really stand "bad" people anyway.

Up In The Smoke - November 16, 2015, 6:31 am

Can't go wrong with abit of both, not too girly and not too 'bad'.

PoisonKnife - November 16, 2015, 6:32 am

I prefer my bitches to be bad - You know what I'm saying? ?

LeeRae - November 16, 2015, 9:24 am

Depends on your definition on bad, but I prefer bad girls. Remotely because of my age I think, but 'bad' girls in my age (+-16) are just girls who drink/smoke do weed and are generally the ones who accept to do more shit that isn't really legal for their age, if you know what I'm saying.

But then again, good girls are also fine, just gets annoying if you stick with them for too long, imo.

It makes me really happy that good girls are liked on here.

I would consider myself a good girl. I go to school daily, I get good grades, I don't fight, I cuss lightly. I'm modest, and don't sleep around. I wouldn't mind drinking alcohol every once in a while, and pot brownies or something. (Because marijuana smoke makes my asthma go berserk) I guess I

do have a bad girl side, since I only go after older men, buuuut...

A lot of guys around here want skanky hoes who cheat every other day and leave the good girls to the side xD So many good girls gone bad here.

?Dødøsky - November 16, 2015, 3:21 pm

If they drink or smoke is the same for me, just not exaggerate, and yes if she wants to go to church idc too

The only thing i want from the girl is just to be kind and nice with me :)

Hexicidal - November 16, 2015, 7:45 pm

I prefer a girl that matches who I am.

Yeah when it comes down to it and you just want to settle down and do your thing then a girl to match your vibe would be the best. I wonder where she is, what she vibes like... My soul mate that is, to say that she matches my vibe.

I like to fuck girls that have jobs. No bullshit. No job no dick.

thtdiabetickid - February 6, 2017, 8:10 pm

Bit of a gravedig cos I saw your profile. But, Ive fucked bad girls before, but settled down with a good girl, a bad girl is likely to get you in trouble in the long run or cheat.

Techius - February 6, 2017, 8:19 pm

I like good girls. Bad girls are the type to sound unloyal.

tl;dr I like women who have bigger brains than tits.

MORTY - February 6, 2017, 9:04 pm

Good girls but not how op likes them, see i like a girl that wants to get high or drink often enough to have fun and not be boring but also need to know what they want to be doing not just sitting around being a lazy bum or some shit, cant stand girls that just sit there drink and smoke and do absolutely nothing else. how i see it, if shes doing someting with her life and wants to sit around and smoke has money and knows what she wants to do in the future shes good for me, also dont mind when girls or guys cuss excessively i dont find it any less attractive but maybe thats just me.

doctor.alpha - February 7, 2017, 4:54 pm

There are not good girls at this planet ..

Corrupt3d - February 7, 2017, 4:59 pm

good girl

they will listen to what you say and really love you

my girlfriend is even getting a laptop at the end of the month so we can program toghetter :) and other stuff

Bluffer - February 7, 2017, 4:59 pm

Sometimes the good girls are the best ones because they are responsible but as long as they are laid back and chill they can be cool to hang with.

Darvis2112 - February 7, 2017, 5:14 pm

I like girls who smoke weed, stay to themselves, and have a nice personality.

Sounds cheesy and gay, but who the fuck wants to date/marry a bitch who parties, gets sloppy drunk with her friends, and starts drama?

No thnx

2manyprior - February 7, 2017, 8:09 pm

bad girls are good fuck buddies but if your looking for someone to settle down with you gotta go with a good girl

Hotsauce™ - February 7, 2017, 8:28 pm

20% angel, 80% devil. Down to earth, ain't afraid to get a little engine grease under her finger nails.

Haha a few of you should know this quote.

SyCorporate - February 7, 2017, 8:41 pm

Good girls are usually the types I catch feelings for, there is something about their kindness and innocence that is sexy. Plus I can picture them being great with kids if I ever plan to marry that girl.

Bad girls are usually girls I'd smash and leave, usually girls with shitty personalities turn me off though, but I'd still smash. I've noticed bad girls are really attractive when they drop their walls and show their nice side.

SIM-3257834 - February 8, 2017, 2:07 am

I can't deal with the bad type "character" simply because they can get you into trouble and they're also childish.

Captain Steve Rogers - February 8, 2017, 2:33 am

I prefer any.

She just need to be a good person & know about how to deal with retards.

Leroy Jethro Gibbs - February 8, 2017, 2:38 am

Bro, good girls all day. They are usually the freakiest ones too. I love to get my freak on lmfao.

Chief Sosa - February 8, 2017, 3:14 am

Heaven or Hell? Where do you prefer to go?

uosef2111 - February 8, 2017, 4:37 am

i totally agree with you man :DD

Hiper - February 8, 2017, 5:28 am

Good girls for sure. Bad girls are too much hard work

Levi - February 8, 2017, 5:33 am

Couldn't be with anyone who acts like they're still in highschool. I like them nerdy as fuck and not openly feminine/affectionate.

This! I craved for them professionals! Bosses are a major turn on, married to one.

Larsenpower - February 8, 2017, 6:21 am

I guess I would fall under the "good girls" category. I wouldn't like a girl who had an addiction or was rude in any way

Grimzyy - February 8, 2017, 6:51 am

My dream girl would be one who doesn't mind smoking weed and enjoys PC gaming.

bxnnie - February 8, 2017, 7:30 am

Good girl I guess, just not a bitch that sleeps with everyone :P

Huskygoodboi - February 8, 2017, 7:34 am

I personally like little bad girls like The Host

Apocryphon - February 8, 2017, 9:46 am

I like good girls but they have to be positive on the sex stuff, you know?

He B TeMy - February 8, 2017, 11:35 am

Is your definition of bad girl a clueless vitch who thinks she's better than the others? Ok, good girls.
