Thread: [Cameron's FREE MiddleMan service](#)

Cameron - November 16, 2015, 2:03 am

Update: 4/4/16 - Sorry the thread was closed so soon, my thread is open once again!

Hello and welcome to my free MiddleMan service. Too often I see new threads popping up in the Deal Dispute section. I'm attempting to limit the number of scams by offering this service at no charge.

If anyone has any questions at all please don't hesitate to ask. I am able to MiddleMan most deals.

Tos.

Both parties must PM me confirming the deal.

Healasuk - November 16, 2015, 2:07 am

This is clearly a genuine service being offered that users should most definitely take advantage of to avoid any type of scam. I assume you are not going to be middleman'ing for currencies such as Paypal? Or so I hope...

Takes time to build trust brother, I wouldn't say you need that much rep. 500+ would probably be a
good time to start imo.
