Rambo.HF - December 20, 2015, 4:18 am

@Trukfit -->> I would like to say that the 2 XBOX LIVE 12 Month CODES which you sold in your PAYIVY link (10-12-15) is already USED CODES. I bought the codes only because you had high TRUST here, i hope you will resolve the issue.

I wanted to talk about it via PRIVATE MESSAGE, but i guess you've blocked me as soon as i said that ,i bought your "XBOX LIVE 12 month CODES" from PAYIVY. I'm not happy about it mate, i don't know whether its your mistake or not, but the 2 codes i bought were the USED ones, so i wish you to reply before i raise it to the Dispute section (seriously i don't want to do that) . All i need is your response.

Date of Purchase: 10-12-15

why it took me 10 days to find out the code is not working??

I didn't have XBOX console to verify the codes, I believe with the Sellers on HF (most of them will work without any issue). when i sold one of the codes on 15-10-15 (bought from other user on HF -- RESALE) , one of my customer reported the code not working, so i was shocked to hear that for the first time (i've sold more than 25 codes so far, no complaints ever), so thus i wanted to check all the

codes before i sell it to customers, i bought a 2nd hand XBOX console today just for the sake of verifying the codes and here comes the shock,

4 codes which i bought from the seller RESALE (uid=1920744)(I've PM'd him about the issue, expecting a response, if I don't get a response, i'll have to file the dispute here) are already USED codes. and then i checked your 2 codes, it said the same, so basically i bought 6 Invalid CODES from you guys...:(I need to solve this, if it was 1 code, then i wouldn't have bothered about it, but just imagine 6 codes *\$25 => \$150 on drain is not easy to manage. So i need a solution for this problem.....!!!!

I've bought atleast 20-25 XBOX Live codes here from another HF User Dana, i haven't heard any complaints about it, it was flawless and so i hoped all the codes will work without any issue, but i was wrong. Also 1 code which i bought from Ol'Dirty Bastard worked fine,

I'm expecting your response Trukfit, all i need is a solution to this problem...Respond ASAP...

IMPORTANT NOTE to All the buyers: Please take caution when buying the XBL codes from HF, some work good, others doesn't work at all!!!

UPDATE: 22-12-15 (3:38 HF Time), Trukfit responded promptly and sent me 1 replacement code, he said he will send the other code later. He is a trusted seller, so i believe in his reply.

I still have to receive 1 replacement XBOX Live 12 month code from you. please check your PM for further information..

Cheers,
