Thread: [Have you ever used SpyGate RAT?](#)

James711 - November 17, 2015, 10:45 am

And would you recommend it?

TheUnknownPlague - November 17, 2015, 12:08 pm

i would recommend babylon its a good free rat

babylon link here: <https://hackforums.net/showthread.php?tid=4930801>

but if you want to get a paid one i would HIGHLY recommence luminosity link

LL link here: <https://hackforums.net/showthread.php?tid=4778957>

Way to not answer the question whatsoever with no help at all douchebag

no OP Never used it

dinplei1 - November 22, 2015, 8:08 am

I have not used but have spoken highly of it, it is best to experience it yourself and take coclusiones a salute according to what is needed.
