Thread: [This Just Happened. I can't Believe It](#)

funtela - November 17, 2015, 9:30 pm

So I got scammed a lousy \$40 and that's pretty much what I had left for rent lol.

I opened a report and suddenly now this user literally sends me \$100.

<https://hackforums.net/member.php?action=profile&uid=1191055>

I couldn't believe it and I can't thank it enough. I made a video because I didn't know what else to do I'm extremely grateful right now.

Sorry for the crappy quality and the weird "my movie" logo lol. I look kinda sloppy and I'm slurring my words lol but that's because I'm running on 2 hours of sleep cause I've been trying to come up with money for rent for the past 24 hours.

[Video: <https://youtu.be/4KLpYOg9VDc>]

I'm happy that tomorrow I can go pay my landlord and not have to deal with that for another month.

People call me "rich" on here but that's not the case. I give away awards and stuff when I can. If I have the money I choose to share with HF because HF is what taught me to make the money I've been making lately. But of course, everyone has rough times. I'm going through a rough patch and I know I'll get over it and be back on track to give away more!

(Nov 17, 2015 10:34 PM)- Sam - Wrote: [\[CITE\]](#) It's nice to see members which do this, unfortunately there is not many of them around nowadays.

Metztli - November 17, 2015, 9:36 pm

No worries, brother. Happy to help. No strings attached man and I meant it. Try and stay ahead of the bill game and you'll be set. Thanks for the video, made me smile.

Much love.

Morty - November 17, 2015, 9:37 pm

good to see someone who gives to the community getting their dues back :) keep up the good work bro, sucks about getting scammed (obviously) but like you said, everyone has their tough times and that's what teaches you to appreciate what you have.

You shouldn't regret giving - we all have that need to share with others in ourselves.

Only thing is, you need to set priorities and give away only the money you CAN give away.

Anyways, I'm happy for you and I'm glad you managed to pay your rent with the help of the 'unknown' hero. :)
