A lounge/gaming group not run by a total asshole?

I would charge buy ins for whoever would like in. The only reason an individual would be removed was for extended inactivity without notification.

Which simply means PM me if you're taking a week off.

\$25-\$50.

Questions? Post em.

We could base it on Music, Tv, and Games, just for the sake of a core focus.

Grin - November 18, 2015, 9:02 pm

I would like that very much Hexicidal.

brian188246 - November 18, 2015, 9:03 pm

I mean there's already one lounge group and one gaming/lounge group.
You're just going to get a bunch of userbar whores with a buy in.

I would say no

Lets do it mate. Why not right?

samsepi01 - November 18, 2015, 9:05 pm

Most groups are lounge groups anyways, except for a few exceptions, and others that say they have a purpose are mostly a lounge group except for a few threads.

I see no point, other than having "another shit group for the owner to cash in on".

I know you're just trying to get a reaction from me, and you've succeeded. I have been a leader of echo and I've only sold 1 buy-in thus far because it would've been stupid to decline it. Please don't be upset purely because I didn't let you in, because if I did then echo would be as shit as you claim.

Dude if you don't find a buyer for your group don't turn it into some shitty group.
If you are not motivated and wanted to sell the group just do it.

Sound like a very bad idea what you are asking. I'm sorry.

eightz - November 19, 2015, 8:17 am

Do it. Not all groups have to be this exclusive bs. Make a group dedicated to giving anyone a chance but fuck scammers.
